

## Quality Policy

Our aim is to provide project and engineering management services in accordance with customer requirements and to the benefit of all our stakeholders.

IN PARTICULAR WE SHALL ENDEAVOUR TO:

- Ensure that clients are satisfied with the standard of performance and quality of services produced by the Company.
- Ensure that we use stakeholder feedback to support continual improvement of our services.
- Ensure that any stakeholder complaints are dealt with and lessons learned are implemented throughout the business.
- Ensure that projects are delivered and our designs are carried out utilising a systematic, planned and cost effective quality system that meets the requirements of BS EN ISO 9001: 2008. The system covers all areas of our business.
- Ensure that our employees, including sub-contractors and sub-consultants, are responsible for working in a manner which maintains standards expected from Infra-Projects Limited.
- Ensure compliance with all relevant legislation and codes of practice.
- Provide the necessary resources and infrastructure to enable the above.

G Hope

Director: Infra-Projects Limited.
